## <<< What Sets Us Apart?

The SUB3® team has worked directly for Primavera®, as well as major consulting firms and global firms. We have some of the best Primavera consultants, each of whom averages eight years' implementation experience and 10 years' Primavera experience. Our organization has personnel with advanced degrees in business and technology to compliment their Project Management Professional (PMP®) certification. We boast unrivaled project experience, a proven approach to sizing, staffing, and executing projects, and tapping into our extensive knowledge pool.

We are subject matter experts (SME's) in Primavera Enterprise Solutions. SUB3 has trained and provided consultative services to Primavera Corporate Consultants, Primavera Solution Providers (PSP's), Primavera Authorized Representatives (PAR's), and numerous clients domestically and abroad.

## >>> Our Services

### Global and Domestic Primavera Implementations

There is a distinct difference between domestic and global project rollouts, and SUB3 is the first to recognize that. We will assist your company as it works with multiple constituents to properly align people, processes, and technology on both global and domestic scales.

SUB3 utilizes it's implementation experience to match best with the client's rollout strategy. The methodologies we work with include: Software Development Life Cycle (SDLC), Project Management Institute (PMI), Agile, Six Sigma, Iterative, Waterfall, and Capability Maturity Model (CMM).

### Primavera Report Development

The most important feature of tracking any project is the ability to run accurate, up-to-date reports. Many times companies are converting from one system to another, and users need to utilize their reports. No matter what technology platform you currently use, SUB3 will assist you in producing the reports you need while transitioning your system to Primavera.

### Training

The technology is only as good as the user's knowledge of it. SUB3 Training comes in many shapes and sizes. We offer both classroom training and virtual training to best suit your needs:

- » \*First Ever Project Manager/ Contract Manager Integrated Training
- » Primavera Consultative Training
- » Primavera Core Team Training
- » Primavera Configuration Workshop

\*The first P6/CM Integrated Training Session of it's kind in the world. Developed by P6/CM Subject Matter Experts, recognized as leaders in the PPM and Contract Manager space, with a combined 35 years of product and implementation knowledge.

### Primavera Subject Matter Expertise [SME] and Consultative Support

Your world is flat so you may need a Primavera (P6) SME at a moments' notice. Or your company doesn't have time to wait 45 minutes for a 5-minute answer.

SUB3 has the most experienced and well-versed Primavera Implementation consultants in the world. We offer your organization best practices leveraged from numerous prior Primavera Implementations that will keep your company ahead of the pack while having others following in your footsteps.

Our philosophy is  
one size does not fit all.
